Tiptree Road Runners

Established 1984

Tiptree Road Race

Having joined the AAA's, and later gaining BARR status for our race, T.R.R. established in 1984, wasted no time in organizing their first road race in September 1985. The Tiptree Half Marathon and Fun Run, was sponsored by Wilkin & Sons Ltd, the world renown jam factory celebrating their centenary year, and although they no longer host our race, they still support us through advertising their tea room and museum of which amongst the exhibits The Tiptree Half Marathon Medal can be seen.

Involving as many local organizations as we could, the event was an outstanding success raising £333.05, which enabled us to make the first of many donations to local charities.

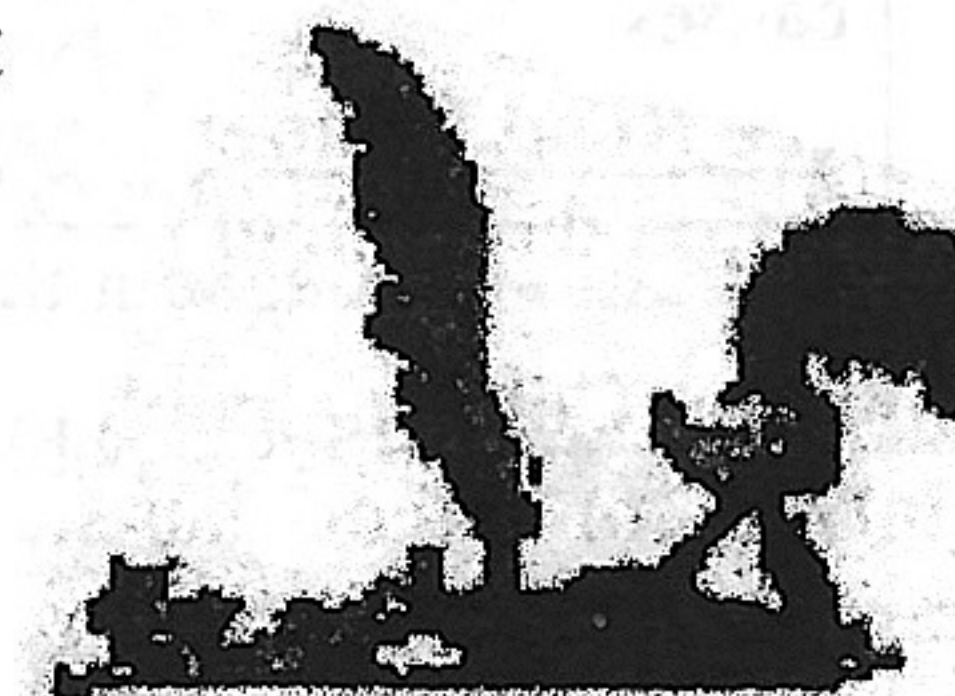

In 1987 we moved to a 10-mile race and although today we have a new course and venue, it has become a very popular distance race.

More recently coupled with a 5-mile race run over the same course, the numbers have steadily increased as has the monies we are able to raise for local groups and charities.

Each year we try to raise our standards offering a quality race to all levels of runners, with greater efficiencies

Great value for money and encouragement to come back and support us again next year when we hope to be hosting the Essex County 10-Mile Race 2002.

GOOD LUCK TO YOU ALL

A big vote of thanks

We couldn't have staged today's race without the following

Fiveways - our generous main sponsor who without they're financial support, we could not finance the organisation of these events. Hopefully they will be suitably impressed and support us again next year.

Stairmaster - who through Andy Dick for the second year running have again supplied the trophies and contributed to the many quality spot prizes randomly given out.

Beckingham Business Park - thanks to Guy and Paul for allowing us to use the park and helping in making the event a safe and efficient one.

St Johns Ambulance - for there superb voluntary help with the emergency skills and equipment to ensure quick help is at hand should the situation arise. Lets hope they won't be called into action today.

Colchester Centurions - another voluntary organisation, who today supply full radio back up support all around the course.

1st Tiptree Cubs/Gt Tey Scouts & Acorn Village - year after year these groups turn out regardless of the weather to stand and handout water or marshal you in the right direction.

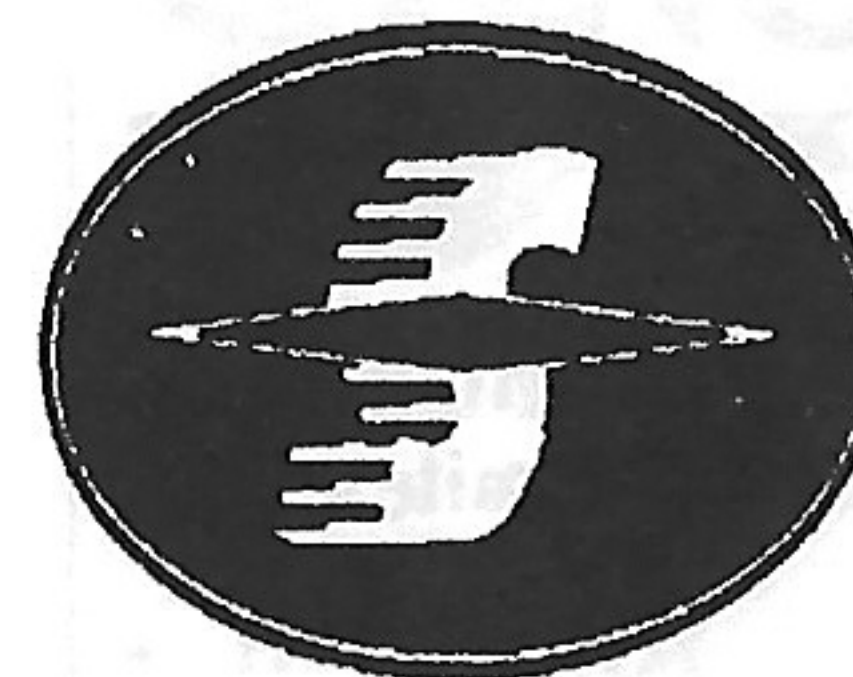

Body Care - who have supplied energy gels for competitors.

Advertisers - All revenue raised through advertisements goes to local causes.

Tiptree Road Runners Committee - who without their hard work and dedication throughout the year, today's race could not have happened.

Lorraine Collins - public relations officer of Fiveways Superstore Tiptree, for without her support and enthusiasm to help the local community today's race would have certainly suffered.

SUPERMARKET

Fiveways Supermarkets, with its long tradition of supporting local communities, is delighted to Sponsor the Tiptree 10 & 5 mile road races again this year.

There has been a Colchester CO-OP presence in Tiptree since 1921 and today the village is home to the society's Fiveways store – a great success and well-supported amenity.

We are pleased to be involved with Tiptree Road Runners for the eighth year in succession. Good Luck to all runners from Fiveways Supermarkets – a local business sponsoring local people.
